Hello Felicity Families! With all the craziness that has been going on these last few months, we thought it might be nice to send something home to you! Our goal is to fill you in; and give you an idea of what a day in our Zoom classroom is like!
ENJOY!

Stars Of The Month – Gift Card of your choice (\$15)
This month's stars go too...

MIRANDA DELORT & KATIE FRITZ!

- Completing nearly 200 assignments together this month! Miranda also had our highest attendance rating. WAY TO GO!
- Runners Up: Alex Marquez, Jake Sickel, Hadi Malik, Reb Sussman (Keep working, we will have two more stars in May.)

To liven our Zoom meetings up, we as a staff have tried to include Daily tasks. Some daily tasks take a more serious tone, while others are just fun conversation starters. Here are some examples of some daily activities we have tried out!

To give students a fun at home project, we as a teaching staff decided to send kids a 12-cell plant tray. This will allow them to complete a simple daily task (taking care of seeds) while learning a useful life skill!

Here are some of the seeds your kids chose!

- Rosemary
- Tomatoes
- Jalapeño Peppers
- Onions & More!
